Family owned with skilled staff

The Christensen family has managed Hedebo for more than 50 years together with receptionists, cleaners, service staff, our handyman and the administration. See employees at www.hedebocamping.com/contact.

For the sake of

Of course, we do not smoke at the toilets and do not throw our stub or other waste at the ground. Your dog is welcome, though do not leave it alone, so it barks and disturbs your neighbours. Take care of the children, drive carefully and max 15 km/h.

Central and yet in nature

A stroll along the beach from the harbor in cozy Sæby where the flag is lowered to music every night at 9 PM in high season. Close to Frederikshavn, Skagen and Aalborg with their vibrant lives, attractions and many activities.

Children's and fishing friendly beach

We are situated at Kattegat's beachfront and with Understed Hills in the backyard with great opportunities for an active or relaxing holiday in the shelter of our palms and trees.

Café and supermarket close to you

Hedebo Super has been run by Lone and Keld J for 30 years with a wide range of necessary groceries for campers. Amongst breakfast bread without prior ordering. At Lone M in the café you can eat, or order take away at +4529772909.

Check out sites no later than 12 noon, cabins at 11 AM. If the unit is not rented in low season, you may stay until afternoon.

Discounts at e.g. Fårup Sommerland

We support local life and tell you about activities and events in the area or here at the campsite. See more at www.hedebocamping.com/what-to-do or on Twitter and Facebook.

Out- and indoor activities

Play tennis, football or miniature golf. Visit our water park with heated pools, our 3 playgrounds, the TV- and playrooms with free Wi-Fi or Denmark's largest motorcycle museum.
